

SCHOELLERSHAMMER

DELIVERY/INBOUND RECOVERED PAPER

1. SIGNING IN

Incoming deliveries of recovered paper are only possible in an allocated quantity contract and in a time slot to be booked by the supplier.

2. TIME OF ARRIVAL

Cancellation, postponement, exchange or change of time slot possible up to 12 hours prior to the planned arrival time.

3. ARRIVAL

After arrival of the vehicle in the truck waiting area by Gate 3, the driver must report the delivery at the registration terminal (important! registration number of the time slot).

4. WEIGHBRIDGE

When the vehicle is called up, it moves to the weighbridge and then on to the unloading zone assigned by the gatekeeper.

5. QUALITY CHECK / UNLOADING

After quality check and unloading comes a second weighing. At the weighing terminal, the driver is handed out a weighing slip.

6. DEPARTURE

The vehicle then leaves the Company's premises without delay.

SCHOELLERSHAMMER

INCOMING DELIVERIES/ INBOUND FOR RECOVERED PAPER; STRENGTH AND COLLECTION OF RESIDUES

Time-slot management TSM by Transporeon

Handling the daily high number of deliveries requires glitch-free logistics. For this purpose, we make use of time-slot management. Starting on 23.05.2016, we switched to the new TSM system from Transporeon, the aim being to unload incoming goods efficiently and minimize vehicle waiting times.

- Incoming deliveries of recovered paper are only possible in an allocated quantity contract and in a time slot to be booked by the supplier.
 - Cancellation, postponement, exchange or change of time slot possible up to 12 hours prior to the planned arrival time.
-
- 01.** After arrival of the vehicle in the truck waiting area by Gate 3, the driver must report the delivery at the registration terminal (important! registration number of the time slot).
 - 02.** After the vehicle is called up, it drives on to the weighbridge and is weighed automatically. The vehicle then moves to the allocated unloading zone.
 - 03.** After quality check and unloading comes a second weighing. At the weighing terminal, the driver is handed out a weighing slip.
 - 04.** The vehicle then leaves the company premises without delay.
-
- ➡ Owing to this automatic handling of vehicles, you need a number at the registration terminal. You receive this registration number from the Time Slot Management system after booking a time slot!
